From the desk of Principal

Dear Readers, Greetings!

Wikipedia defines Emotional intelligence (EI), Emotional leadership (EL), Emotional quotient (EQ) and Emotional Intelligence Quotient (EIQ) as is the capability of an individual to recognize one's own emotions and those of others, discern between different feelings and label them appropriately, use emotional information to guide thinking and behaviour, and manage and/or adjust emotions to adapt to environments or achieve one's goal(s). But the truth is, no definition would make your learning, this aspect that impact fully unless you get the rich hands on experience of this. As you all are aware that I attended an intense workshop on EI in MIT Boston and now I feel that I can see the world with different eyes. This is a vast field, a field that does not stick to the superficial. The easy steps to deal with work pressures, unpleasant life situations, unfolding the other's perspective before making decisions are some of the important take a ways. In short Emotional Intelligence is the ability to Recognize, understand and manage our

own Emotions se and understand and recognize and influence the emotions of others. In other words it is the emotions that drive the behaviour of people positive or negative.

Here are five ways to develop your emotional intelligence.

- Manage your negative emotions.
- Be mindful of your vocabulary.
- Practice empathy.
- Know your stressors.
- Bounce back from adversity.

Building Mental and Emotional Strength

- Set reasonable goals and follow through with them.
- Make yourself strong against negativity.
- Use positive self-talk to build your mental and emotional strength.
- Learn to stay calm under pressure.
- Let go of the little things.
- Change your perspective.
- Have a positive outlook.

हिंदी दिवस

सुंदर है, मनोरम है, मीठी है, सरल है, ओजस्विनी है और अनूठी है ये हिंदी । पाथेय है, प्रवास में, परिचय का सूत्र है, मैत्री को जोड़ने की कड़ी है ये हिंदी । हिंदी एक ऐसी भाषा है, जिसमें ताकत है दिलों को जोड़ने की, जिसमें ताकत है विभिन्नता को एकता के सूत्र में पिरोने की । ये भाषा है, जो अपने गूढ़ अर्थ वाले शब्दों से कविता बनकर हृदय की गहराइयों में उतर जाती है तो कहानी बनकर समाज का प्रतिबिंब दिखाती है । हिंदी हमारी अपनी भाषा है, जिसका स्थान कोई नहीं ले सकता । हिंदी के प्रति अपना सम्मानप्रकट करने

के लिए हमें इसे दिल से अपनाना होगा और तभी हम इसे इसका उचित स्थान दिलवाने में समर्थ हो पाएंगे । श्रीराम सेंटिनियल स्कूल ने आज अपने बाल-कवियों के साथ हिंदी दिवस मनाया, जिसमें विद्यालय के छात्रावास के छात्रों ने अपनी ज्ञानवर्धक व मातृभाषा के महत्त्व पर आधारित कविताओं से सभी को मंत्रमुग्ध कर दिया । विद्यालय सदैव इस दिशा में प्रयासरत रहता है कि छात्रों में अपनी संस्कृति व अपनी भाषा के प्रति सम्मान व स्नेह का भाव हो । हिंदी दिवस पर सभी को हार्दिक बधाई ।

“Out in the Garden” Field Trip to ‘Plant Nursery’

To give our children hands on experience related to theme ‘The Plants’, Nursery, KG I & KG II tiny tots were taken to on an educational field trip to a nearby ‘Go Green’ plant nursery. They were excited to interact with the gardener and were curious to see how he used his tools to dig the soil. There were varieties of plants like orchids, hibiscus, sunflowers, water lilies and many more. Children were also joyous to see tomatoes, chilies and lemons grown on plants. After coming back to the school they reflected beautifully on worksheets about their learning!

Field Trip to 'Plant Nursery'! (Kalani Nagar)

In order to instill the value of plants and to explain the ongoing Theme –“PLANTS LIFE” a educational field trip to the Plant Nursery was organized for SRCS PW kalani Nagar kids.

They were taken to a nearby Nursery where the little ones were shown different types of Plants, explained the various parts of the plants and their uses ,the importance of plants in our lives and why

we should not cut trees. They learnt about the parts of plants that we eat eg potato, onion etc. and were also shown different medicinal plants like Tulsi, Turmeric etc.

The children had a wonderful learning experience and were full of excitement to see such different species of plants. It was a memorable experience for the little ones.

Germination and Field Trip

Plantation activity was conducted in KG.I under their theme Germination. Children were also taken to Plant Nursery as a part of Educational Trip where they saw plants and saplings of various plants. The activity was carried to make children aware of the process of Germination and to sensitize them towards nature. It is very important that these children have a heart towards the Nature. Children were also given saplings as a take away with an intention that they take care of the plants aimed popularity and Friendship Day is celebrated in large number of countries including India.

Planting a Seed Activity @ SRCS!

KG-I kids carried out plantation activity. Children learned about the importance of taking care of new plants and observing their growth. They were amazed to know that how the seeds are tucked into the soil and by taking good care, by watering them daily, they will turn in a beautiful sapling soon.

They understood what a plant needs to grow such as sunlight, water, air and soil through different activities. These activities provided them real life experiences. Children also gained sensory input through touching the soil and developing fine motor skills.

Educational field trip @ Big Bazaar

Children may have followed their parents to the supermarket countless times, but this trip was different. It was no surprise that a visit to the supermarket was going to be an enriching and fun learning experience. The super market is a wonderful place for children to be made aware of and learn about different kinds of food items and other things available there. The Pre Primary children of SRCS went to a field trip to 'BIG BAZAAR' - The Supermarket. On their visit, they were shown different sections of the super-market (fresh fruits & vegetables section, grain section, toiletry section, dairy/frozen food section, bakery, toy section and canned goods) This field trip reinforced healthy ideas for being a healthy kid. It was demonstrated to them how things are bought, billed and paid for. On the

whole, it was a fun learning experience for each child. This educational, interactive experience is sure to leave a lasting impression on our children.

Visit to Super Market (Kalani Nagar)

Field trips are very important part of learning in Early childhood stage..... As they develop the visual literacy and gives a very different environment from learning in the classroom.

Jungle Safari & Art Attack @ SRCS!

"We believe that the learning environment has a tremendous impact on the development of the young brain." Every round was a mixed bag with questions on history, sports, vocabulary and science. Everyone clapped and cheered for the ecstatic winning teams.

Yellow Day Celebration @ SRCS!

A day dedicated to the yellow color was marked with children dressed in different hues and tints of yellow. Children were not only beautifully dressed in their favorite yellow dresses but also brought yellow objects to make it a complete "Yellow Day"! Tiffin's were filled with bananas, khaman, maggi, , chips, pohla, puri bhaji, popcorn , mazaa etc. Attractive yellow colored toys like racing cars, teddy bears, dolls, balls, balloons, chicks, flowers and masks made the learning environment active and sporty. The motive of celebrating this yellow colour day was to make the children aware of yellow colour, its significance and to develop fine motor skills. They spent the day with utmost gratification.

Rakhi Celebration

SRCS students celebrated Pre Rakshabandhan with great zeal. They made Rakhi for their beloved brother and understood about the importance of relationship. Rakhi is a sacred thread embellished with sister's love and affection for her brother. On the day of Raksha Bandhan, sisters tie rakhi on the wrist of their brothers and express their love to them. After receiving the rakhi from a sister, a brother sincerely takes the responsibility of protecting his sister in thick and thin.

Curious Minds @ SRCS

Our curious minds from Class 1 & 2 participated in 'Science Quiz' @ SRCS. The main objective of Science quiz competition was to encourage our young minds to look beyond their textual

knowledge and establish a relationship between theory and application of the learnt concepts. Well played kids!

Bag Pack Competition @ SRCS!

Nursery kids eagerly participated in bag pack competition. Competition is an excellent life experience which should be encouraged among all the children. It is a social process & helps children to learn skills they'll use throughout their lives.

“Talk on Water Creatures” Competition

Competitions play a vital role in motivating kids to perform and excel and offer a lot more reward than just the winning prize. It gives a chance to all the participants to showcase their presentations skills. It also encourages kids to

adopt innovative techniques and develop their ideas. KG II kids participated and spoke very confidently on water creatures . Proud of you all!

Eid Celebration

Our Nursery, KG-I and KG-II kids celebrated "EID". They did thumb printing on Mosque clipart and were made aware about significance behind the celebration. They were very curious and joyous to know about the story of Abraham who sacrificed his son Ishmael as an act of obedience to God, before God intervened to provide him with a ram to sacrifice instead.

Independence Day Celebration

Meet the Young India- Emerging with flying colours, dynamic and versatile in every manner. Let the world know we are back with a bang..... Pre primary kids at SRCS celebrated Pre Independence day with fun and frolic with a motto to safe guard our country by doing their bit.

Fun Activities @ SRCS!

Reading through books is not the only medium of learning but fun filled activities and competitions enhance the learning process. Keeping this in mind a "Hindi recitation competition" was organized for the children of Nursery in school . These kinds of activities help the child to develop confidence, improve vocabulary and also help the students to get rid of stage fear. Children recited different poems with actions and lots of confidence. Children recited the poems on "Hathi raja, Lal pili motor, Machli jal ki rani," etc The students @ SRCS became the 'Tales Teller' and they creatively spread the values to other children that one should never be greedy , don't tell lies and don't rely upon false appreciation. Storytelling enhances verbal proficiency, encourages creativity and imagination power. It is a great tool for sharpening memory. The KG I students also learnt about different

modes of transportation through 'Sorting Activity' in which they categorized the different vehicles as Air, Water and Land transport respectively.

Ganpati Bappa Moriyaaa!!!

"Gaurinandana Gajanana Girijanandana Niranjana Paarvati Nandana Shubhaanana Paahiprabhomaam Pahi Prasanna" Ganesha Chaturthi is celebrated as the birthday of Lord Ganesha the symbol of wisdom and remover of obstacle. On 12th September 2018, Pre Primary section of SRCS celebrated Ganesh utsav with great pomp and gaiety. On this auspicious day, all the children of primary section enthusiastically made idols of lord Ganesha using non toxic clay and the day ended with the making of lord ganesha through art and craft activities.

Friendship's Day Celebration!

"Best friends never have same nature; they just have best understanding of their differences." The young buds from Class I & II at SRCS had a joyous time celebrating the 'Friendship Day'. They learned how important it is to have friends with whom they can share, giggle, cry & fight too. But most importantly they learned to accept each other with their differences and shortcomings.
