Always striving to rise high

June 2023 Volume 19

In Summer's embrace, the sun reigns high, A golden orb adorns the azure sky.
Nature awakens with a vibrant hue, Life dances free, a kaleidoscope view.

The meadows bloom, wildflowers sway, A fragrant symphony in soft array.
Bees hum their tunes, a sweet melody, As butterflies flutter, wild and free.

The shimmering lakes, a crystal gleam, Reflecting dreams in a tranquil theme.
Children's laughter, like a gentle stream, Rippling through days like a cherished dream.

Warmth on our skin, a soothing caress, In Summer's kiss, we find pure happiness.
With friends and family, we gather 'round, Creating memories, forever bound.

Yet, Summer departs, as all things do, Autumn awaits, with a different view.
But in our hearts, Summer's warmth will stay, As we long for its return, day by day.

"We might think we are nurturing our garden, but of course it's our garden that is really nurturing us."

Dear Students, Parents & Well Wishers

Greetings to you all from Shri Ram Centennial School!

I hope you all had a fine summer vacation and are looking

forward with enthusiasm to the new session full of fun, learning and opportunities. Summer Vacations are not just to finish projects and assignments, they are a good time to PICK A HOBBY!

Yes! A Hobby for life – It could be any hobby - Art – Music – Dance – Photography – Travel & Hiking – Adventure Sport, - Cycling, Mountain Climbing, Cooking, Bakery, Fashion Designing, etc. Go on students explore your hidden talents through a hobby for life! Follow it passionately and you never know you may be the most successful person in your hobby field.

I warmly welcome the June - July Academic Session, praying to God to bless my students with the choicest Showers of blessings – ‘Welcome the Monsoon Season’!

Shri Ram Centennial School Indore is recognized for educational excellence. Such recognition does not occur by chance. It is the result of three things: supportive parents/caregivers, motivated students and dedicated staff members.

As a school we always motivate our children to challenge their own selves and push their boundaries. We are elated that many of our

students have excelled in their areas of academic pursuits and made their parents and all of us proud.

Hearty Congratulations to the SRCS Topper of IIT JEE Mains and Advanced 2023. It is indeed a moment to celebrate and feel elated on the success of Aditi Garg who secured the MP Girl Topper Rank in IIT JEE Mains 2023 with 99.91%ile.

Every year we invite our parents/caregivers, urge them--to volunteer at the school with the Parent Association and/or as a Classroom Representative. There are many tasks that volunteers can perform. You can share your success stories, your professional journey, your life skills, your subject expertise with students. We will appreciate if you can make it an experiential interactive learning session. If you are interested in joining, please call Ms. Sunita Singh 888963767, Dean of School Affairs or write to principal@srcsindore.co.in. I am happy to share that Ms. Surbhi Asawa has joined our SRCS family to extend all counselling support and guidance to our children. This will assist students in learning their way around the community and to better help them with their academic and personal growth.

Our goal is to provide all students with the opportunity to excel in academics, athletics, performing arts and in every field, so that they may become positive, contributing members of our school and community.

I look forward to working with you this school year. Let's make it the best one ever!

Educationally yours,
Chandra Shekhar,
Principal

FUN LEARNING AT SUMMER CAMP 2023

Summer camp

The summer camp organized by SRCS Indore proved to be an exceptional opportunity for students to engage in a diverse range of activities, including sports, arts, academics, and adventure. The camp fostered holistic development by nurturing physical fitness,

artistic skills, and intellectual growth. The participants gained valuable experiences, developed new friendships, and expanded their knowledge in a fun and supportive environment. SRCS Indore's summer camp was a tremendous success, leaving a lasting impact on the students and creating memories that will be cherished for years to come.

Opportunities of Learning and Leadership

International Yoga Day

SRCIans celebrated International Yoga Day with great enthusiasm and a commitment to their well-being. The event provided an opportunity for students, teachers, and staff members to come together and experience the physical, mental, and spiritual benefits of yoga. The practice of yoga helped cultivate mindfulness, enhance flexibility, and foster a

sense of serenity among the participants. SRCIans' active involvement and dedication to the event made it a resounding success, spreading awareness about the significance of yoga in promoting a healthy and balanced lifestyle.

"Empowering Voices, Inspiring Change: Nomination for SRCs Student Council 2023-2024"

A Student Council provides an opportunity for students to engage in a structured partnership with teachers, students and Management in the functioning of school.

A leader is the one who knows the way, shows the way and goes the way.

The school has a robust Student Council System to identify, train and empower students to become future leaders. The students from Classes VII-XII are appointed to various posts after they undergo intensive selection. The selected students are assigned posts as per their skills and abilities. They undergo vigorous physical and mental edification to inculcate and hone leadership and life skills.

At SRCs, the Student Council members for the session 2023-24 will be appointed by following the Democratic way of Election process. The

students have filled the Nomination which serves the purpose of self-assessment and self-exploration. The Nomination Day was a successful event.

Pre-Primary Activities

"Planting Seeds of Change: Join Our Plantation Program!"

We organised a tree planting event on the 21st April, 2023. The students from grade Nursery to II brought saplings from their home to actively participate in this event. They, along with their teachers and Principal Sir, planted saplings in the school campus. Principal Sir talked about how planting trees helps to regulate the temperature and absorb all the

carbon dioxide from the air. He also emphasised that it helps us to make the surroundings greener, and trees serve as homes to many birds and animals. He also suggested that every student should at least plant one tree per year as it will help the world to combat against global warming.

"Unleash Your Imagination: Tell and Show Competition!"

Experiential Learning....

A key part of the preschool curriculum, 'Show and Tell' is an important part of a child's learning development, as it helps them to organize information and build their confidence. It's also a great way to encourage child's interest in a particular topic and a chance for children to think outside the box a little. With the aim of providing an opportunity for our children of Grade-I & II to develop an effective communication skills and to build their confidence, a 'Show and Tell' competition was organized. They learned and experienced public speaking - a skill a child will use throughout his life. In the competition the pre-primary kids took centre stage and spoke on different topics like- my country, my favourite toy, solar system, healthy food, and

national flag etc. They described the objects with a lot of confidence, facial expressions and

voice modulation. Overall, the show was a spectacular learning experience for the kids!

"Paint the Town Red: Celebrating Red Day in Style

"Red is the first colour of spring. It's the real colour of rebirth. Of beginning"-Andle Cundle.

To teach the importance of colour 'Red' to our tiny tots of SRCS, Red Day was celebrated on 5th April, 2023, Wednesday. All the toddlers of kindergarten had dressed up beautifully in Red colour clothes. The class was decorated with all red colour hangings like red cherries, red strawberries, red apples etc. Teachers were also dressed up in red colour attire. The

children were very amused and happy seeing red hangings. The day was continued with the introduction of Red colour and activities related to it. Every child participated in the activity with great zeal and enthusiasm. A lovely day passed by with getting introduced to the colour that signifies love & compassion. Learning becomes fun when it is imparted in right way!

Mock tail party

The students of the Pre-primary section hosted an exciting and colourful mock tail party to celebrate the forthcoming summer break. This event, organised by the school, aimed to provide the young students with a fun-filled and memorable experience before they

embarked on their well-deserved vacation. The mock tail party allowed the children to indulge in refreshing beverages, engage in creative activities, and build social connections with their peers in a safe and supervised environment.

In-house Staff Training

Team Work and Collaboration

A workshop on the topic 'Team work and collaboration' was conducted by Ms Sunita Singh Chauhan, Dean of School Affairs, SRCS. The session began with the introduction of participants using adjectives for themselves. Further, definition and importance of team work was explained. The Resource Person also

included teachers through various interesting and fun-loving activities. To conclude, chosen videos were shown to the teachers on good collaboration and bad collaboration. Overall, the workshop was very enlightening and fruitful.

Webinar on 'Promoting the uses of Library And Cultivating Reading Habits' @ SRCS, Indore.

CBSE has conducted a webinar under the title Capacity Building Programme for teachers on the topic 'Promoting use of libraries and cultivating reading habits'.

Resource Person was Ms. Sharda Chandrashekharan. She suggested that library should be visually appealing with interactive corners, silent reading corners, G. D. corners, creative corners, project making corners, cozy corners etc.

She also laid emphasis on the features of a good library. It must have bean bags and standing desks to facilitate the students as per their reading requirements.

In order to promote reading habits among the students she suggested that DEAR program should be initiated which means Drop Everything And Read. She advised teachers to read a part of text with expression and

emotions to make the reading interesting and fun loving. She also suggested that students may be encouraged to donate books on World Library Day and on their birthdays. All and all it was an innovative and informative session that will inspire teachers and schools to update as per the need of the time

Enhancing IT Skills

The workshop on enhancing IT skills, conducted by Ms. Priya Kapley, was held. The purpose of the workshop was to provide participants with practical knowledge and tools to enhance their IT skills and stay abreast of the latest technological advancements. The workshop targeted individuals to improve their competence in IT-related tasks. The workshop empowered teachers and staff to integrate technology into their daily tasks, enhance their teaching methodologies, and effectively collaborate with colleagues

Dramatics workshop @SRCS by Helen O Grady

Off late the general concept of teaching - learning had been limited to four walls of the classroom, teacher - centric lectures and mundane rote learning.

The advent of NEP 2020 has brought a revolutionary change. It is proving to be a trend changer.

To acquaint and equip the educators of SRCS, an innovative workshop was organised which was conducted by the Resource Person Ms. Neelima Gupta, Director of Helen O Grady, Indore Chapter.

Her activity and drama-based sessions involved the teachers and reflected on them how collaboration, team work, concentration, agility, listening skill, competence etc. can be achieved through fun activities.

All and all the session was very meaningful, and left the teacher participants in a sense of admiration and appreciation for Ms. Neelima Gupta. The symposium will certainly inspire the mentors to adapt to the new trends in education which will in turn result in the overall development of students.

Effective Reading Skills Workshop for English Teacher @SRCs!!

To stimulate a love of learning in students, an educational workshop was held by Mr. Maneesh Trivedi & Ms. Sunita Singh. All the English teachers of the school participated sizeable heed. The workshop started at 1:00 pm. Four sections of English paper, scanning and skimming techniques were discussed. Afterwards Ms. Sunita Singh took over the session. Different steps of modern reading and techniques of ASL were discussed. The session ended at 2:00pm with considerable outcomes.

The superhero of my life

As everyone was talking about their favourite superhero,
A girl screamed from the last,
My superhero is my father
Surprisingly it was me.
The day I was born as the angel to make you a father,
People could see the biggest smile on your face
I think you were nervous

But the time you took me in your safe hands
All nervousness would flow down
From making me sleep to making me smile
Every credit goes to you
Thank you, papa, for making me have strength
for letting me doing that
From which I fear
Thank you for not letting me down
My Favourite superhero

A Mother's Love

A mother's love is a precious gift
A bond that lasts through time
A source of strength and comfort
That words can never define
From the moment we're born
Her love becomes our guide
Through all of life's ups and downs
She's always by our side
Her touch can heal our wounds
Her voice can calm our fears
Her embrace can give us hope
And wipe away our tears

A mother's love is unconditional
No matter what we do
She sees the best in us
And helps us see it too
So, on this day we celebrate
The love of mothers everywhere
For all the ways they shape our lives
And show us how to care
Thank you, Mom, for all you do
For all the love you give
We cherish you more than words can say
And in our hearts, you'll always live

Success

If you want to achieve a ginormous thing
for that you need a meticulous planning
just set your foot
and start your root
make difficulties your friends
to make friends your fans
if you have nothing
that means you the desire to achieve
everything
don't try to be impressive
because God made you expressive
control..." I am a zero
that shine like actual hero
no matter what you like study or guitar

but... try to be your own superstar
unsuccessful have potential
but not desire and fire
be clear as water and calm as
that would suffice!!!

MY ETERNAL(ME)

Oh! Dear ME, do you know who are you?
You are the one whose dreams are high
You are the one who wants to fly
Fly, fly with the wings you have got
Because your dreams are far and you have to travel a lot.

Dear ME do you know who are you?
You are the one who has a lot to share
To share the thoughts, that are very precious and rare
But then will the people understand beside you?
Don't bother; who will stand with you,

Just follow your dreams, chase your thoughts, and understand,
Stand with firmness as life is not a bed of roses, But it is a crown of thorns, cons, and pros.
So, let your dreams grow with each passing day,
As no shortcut leads to a successful way.
Dear ME give your life new thoughts and new vision,
Never give up! with or without any reason.
