Monsoon Edition 2025 Volume 27

Welcome to ...

THE MONSOON

Sun is now packing its bag,
Showing everyone its vacation's flag.
Taking a small leave from its harsh duty,
Just to give us a glimpse of beauty.
Now, the blue sky is dressing grey,
Cool breezes are blowing all through the way.
Everyone's having a charm on their face,
Also, carrying a strange happiness.
Today, the birds seems to be playing flute,
Even the voice of crow's sounding very cute.
Frogs are croaking like a guitar,
The wind is behaving as a rockstar.
The roaring clouds are clashing,
Thunderbolts in sky are flashing.
Every creature is feeling confident,
Lovely rain showers 're making the day pleasant.
Raindrops are making morning bright,
Thunderstorms are striking at night.
I'm enjoying a new life in the month of "JUNE",
Today, the great nature is welcoming "the sweet MONSOON". .

**“Monsoon can also be a time for deep thoughts and
philosophical musings.”**

From Principal's Desk...

Dear Parents and Students,

Greetings!

It is with immense honour and a deep sense of responsibility that I pen down my first message as the Principal of Shri Ram Centennial School, Indore. Joining this institution of academic excellence and humanistic values is both a privilege and a commitment—one that I undertake with sincerity, vision, and a shared sense of purpose.

Education today is no longer confined to the traditional boundaries of textbooks and examinations. At SRCS, we believe in nurturing individuals who are not just knowledgeable, but also curious, creative, emotionally intelligent, and ethically grounded. Our aim is to provide an education that is *rooted in values and driven by innovation*.

In keeping with the ever-evolving dynamics of the 21st century, our school integrates a holistic curriculum with experiential learning, digital fluency, collaborative projects, critical thinking, and life skill development. We encourage a

pedagogical approach that celebrates inquiry over rote, understanding over memorization, and application over theory.

True education must empower students to ask questions, seek solutions, and rise as empathetic and responsible global citizens. Our emphasis on co-scholastic domains—be it visual arts, sports, performing arts, community outreach, or environmental stewardship—is a reflection of our commitment to nurturing every child's potential in its unique form.

I deeply value the partnership between the school and parents. Together, we shape the character, intellect, and destiny of our children. As we move forward, I invite you to walk alongside us—to support, engage, and inspire. Let us build a vibrant and inclusive school culture where excellence, equity, and empathy are not just ideals, but lived experiences.

I look forward to a meaningful journey ahead, grounded in shared aspirations and a collective commitment to transforming young lives.

Warm regards,

Principal
Shri Ram Centennial School

Celebrating Success-Transforming Young Minds into Olympiad Wizard

SRCS Felicitates the Talent

The Principal, SRCS felicitated the talented students who have brought laurels in SOF – IMO and IHO with Gold Medals and Certificates.

Team SRCS congratulates the exceptional accomplishment of Prathmesh Somani who bagged 4th Rank at Zonal Level. He was awarded with a Cash Prize of Rs. 2500 with Gold Medal and Certificate of Excellence.

Enhancing Skills- Teacher's Training 2025-26

Helen O' Grady Workshop at SRCS

Shri Ram Centennial School, Indore organised a workshop for its Teaching Faculty.

It was conducted by Ms. Neelima Gupta, Executive Principal, Helen O' Grady International Creative Education Academy.

The Topic of the Workshop was *Transdisciplinary Learning Outcomes*.

Communication, Creativity, Critical Thinking, Collaboration, Confidence and Emotional

The Workshop was based on fun ~ filled activities.

Teachers learned how Developmental Drama helps in developing 21st Century life skills like

Intelligence.

Teachers participated in all the activities with enthusiasm and Creativity was at its zenith.

CBSE Capacity Building Programme on Active Learning

We are delighted to share that Shri Ram Centennial School, Indore had the honour of hosting an Offline Capacity Building Programme (CBP) on the topic 'Active Learning', under the aegis of CBSE, Regional Office, Bhopal.

The one-day workshop was conducted on Saturday, 14th June 2025, from 9:30 am to 5:30 pm, and was attended by 60 enthusiastic educators from various reputed schools across

Indore.

The session was facilitated by two esteemed CBSE Resource Persons:

Ms. Bhavna Hardia and Ms. Sabahat Khan, The programme commenced with a traditional welcome by Ms. Sunita Singh Chouhan, Principal, SRCS, who greeted the guests with floral tokens and performed Saraswati Poojan to invoke the blessings of the Goddess of Knowledge.

The workshop was vibrant, interactive, and filled with meaningful learning. The Resource

Persons engaged participants through hands-on activities that reflected various active learning methodologies. Teachers enthusiastically participated in group work, presentations, and showcased a range of innovative teaching strategies such as songs, dances, storytelling, and role plays that promote student engagement in classrooms. The sessions were smoothly coordinated and conducted by the host school's dedicated faculty members – Ms. Manju Sharma and Ms. Dipali Bapat.

As a token of appreciation, mementoes were presented to the Resource Persons by the Principal.

The entire event was a remarkable learning experience and served as a platform for professional growth and collaborative exchange among educators.

Teachers' Orientation Workshops at SRCs Vedic Math

A teachers' training program was conducted by Ma'am Dipali with the primary objective of introducing educators to the techniques of Vedic Mathematics. The program focused on enhancing their skills in solving mathematical

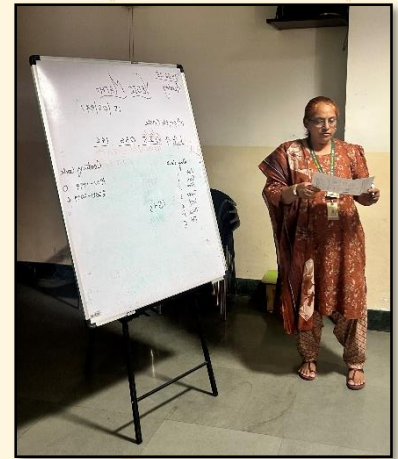

problems using ancient, efficient, and innovative methods derived from Vedic sutras. Teachers showed great enthusiasm in learning and applying these unique strategies,

especially in the areas of basic mathematical operations.

They were trained to handle calculations involving

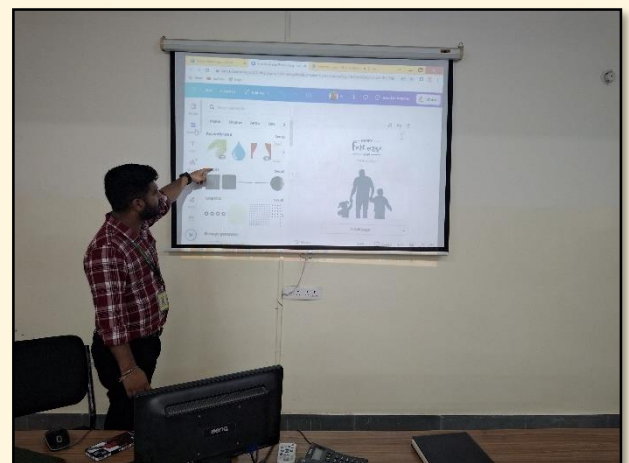

large numerals and special number patterns with speed and accuracy. To stimulate critical thinking and engagement, a series of brainstorming sessions were conducted where participants tackled tricky and unconventional math problems. These sessions encouraged active participation, collaboration, and problem-solving skills among the teachers.

Canva for Educators

Mr. Deepanshu conducted a two-hour Canva workshop for teachers, focusing on the basics of Canva. The session aimed to empower teachers with essential design skills to create impactful posters and worksheets for their classrooms and various school events. During the training, teachers learned how to navigate Canva's interface, use templates, customize designs, and apply creative elements effectively. The workshop provided hands-on practice, enabling teachers to confidently design visually appealing materials to enhance student engagement and classroom activities.

It was an interactive and productive session, helping teachers integrate creativity into their teaching resources.

Music Workshop

Mr. Amit, Mr. Shrikrishna, Mr. Neeraj and Ms. Sushmita Mukherjee conducted the Music Workshop. The detailing of Raga, Taal, Sur in Vocal Music and the graceful, subtle hand gestures, body movement and facial expressions in Indian Classical Dance Forms was so immaculate and precise that it was all praises from the audience.

To add feather to the cap, When Ma'am Sushmita and Ma'am Rupali gave a Classical Dance Presentation, they received a standing ovation.

In a nutshell, the session was choreographed meticulously and that left a cherishing impression on the audience.

Learning Science at Primary, Middle, Secondary and Senior Secondary level

On 5th June 2025, a comprehensive science workshop was conducted at the SRCS Auditorium, offering teachers a deep dive into key scientific concepts through experiential learning. The sessions were led by esteemed

faculty members—Kirtibala Ma'am, Princy Ma'am and Rohit Sir.

Kirtibala Ma'am began the workshop with an insightful session on the human torso. She used 3D models and real-life examples to help teachers understand the organs, their functions, and interconnectivity within the human body.

Princy Ma'am then engaged the teacher's with a session on atoms and molecules. Through interactive models and activities, she explained the structure of atoms, types of molecules, and their formation, sparking curiosity in the audience.

Rohit Sir concluded the workshop with a powerful demonstration on electricity, its types, and properties of charge. Using hands-on experiments, he explained static and current electricity, positive and negative charges, and how charges interact.

The workshop emphasized experiential learning, allowing teacher's to explore science

beyond textbooks. teacher's participated in model-making, live demonstrations, and quiz

rounds to reinforce concepts.

The key takeaways for the audience included:

1. Clear understanding of internal human anatomy.
2. Enhanced knowledge of atomic and molecular structure.
3. Real-time experience with electric phenomena.
4. Greater interest in science through hands-on learning.
5. Appreciation for how theory connects with real life.

The session was highly informative and left the teacher's inspired and eager for more such learning experiences.

Orientation Programme for New Entrants

The Shri Ram Centennial School, Indore organized a warm and engaging Orientation Programme for the new academic session 2025-2026, welcoming parents and students with great enthusiasm.

The event commenced with a traditional welcome, where parents were greeted with a tilak, symbolizing respect and auspicious beginnings.

The programme officially began with a Saraswati Pujan and lamp lighting ceremony, seeking the blessings of the Goddess of wisdom for a fruitful academic year ahead.

To add to the ambiance, the school's talented choir presented a melodious song, filling the hall with positivity and warmth. This was followed by a vibrant dance performance,

showcasing the enthusiasm and energy of the young learners.

He elaborated on the school's motto, code of conduct, policies, daily functioning, sports

facilities and examination structure, providing a comprehensive overview of the school's vision and commitment to holistic education.

The event concluded with a heartfelt vote of thanks, expressing gratitude to everyone for their presence and support. As a gesture of appreciation, parents were presented with a special gift as a token of love and remembrance from the school.

The Orientation Programme set a positive tone for the year ahead, reinforcing the school's

dedication to academic excellence and overall development.

Celebrations @ SRCS!!!

New Academic Session Began with Ceremonial Events

The new academic session at Shri Ram Centennial School, Indore commenced with great enthusiasm and excitement. The day began with a traditional Tilak ceremony, symbolizing good fortune and prosperity. The Tilak ceremony was followed by the Saraswati Puja, a sacred ritual to invoke the

blessings of Goddess Saraswati, the deity of knowledge and wisdom symbolizing the illumination of knowledge and the pursuit of excellence.

After the ceremonial events, our teachers assembled on stage to welcome the students and introduce themselves. Our Principal, delivered a warm welcome address,

highlighting the school's vision, mission, and goals for the new academic session.

We welcomed our new staff members, who joined our school

community to support our students' academic and personal growth. The new staff members introduced themselves.

The new academic session began on a positive note, with a sense of excitement and anticipation. We are confident that the session would be filled with learning, growth, and achievement. We look forward to working together with our students, parents, and staff members to make the session a success.

SRCS observes the World Earth Day

The young stewards of Shri Ram Centennial School, Indore, took center stage on, April 22nd 2025 for observing World Earth Day!

The morning assembly was a vibrant display of commitment to a healthy planet, featuring insightful speeches and engaging skits that inspired everyone.

The students translated their awareness into tangible action by forming an impressive pyramid, spreading the seeds of change with seed balls, and thoughtfully

preparing havens for birds with nests and water tubs.

Empowering Future Health Leaders: A Comprehensive Health & Wellness Initiative at SRCS!

On World Health Day, Shri Ram Centennial School, Indore, in a dynamic collaboration with Shri Aurobindo Institute of Medical Sciences, orchestrated a transformative Health Check-up and Wellness Camp for students from Nursery to Grade XII.

Our young learners benefited from the expert care of specialists

spanning Paediatrics, Ophthalmology, ENT, and Oral Hygiene, receiving thorough diagnoses and personalized guidance. Essential health metrics including Height, Weight, BMI, and SpO2 were meticulously assessed.

Beyond diagnostics, the camp served as an invaluable platform for cultivating a deep understanding of the significance of holistic health, hygiene practices, and overall well-being among our students.

This impactful initiative underscores our

commitment to nurturing not just academic excellence, but also the physical and mental vitality of every child. A resounding success that invests in a healthier tomorrow!

SRCS celebrated the World Health Day, on 7 April 2025, wishing everyone “A Healthy Life!” The theme of the year for this year is ‘Healthy beginnings, hopeful futures. It aims and urges governments and the health communities to ramp up efforts to end preventable maternal and new-born deaths, and to prioritize women’s longer-term health and well-being.

Happy Mother, Happy Child & Happy Families”!!

Crack the Code: Study Smarter, Score Higher

SRCians attended a Transformative Session on 22nd April 2025 as a step towards “Well Prepared for Competitive Examinations!”

Students of Grade IX and X attended an enlightening session at the Pragya Girls School to redefine their Reasoning and Mental Aptitude for making the learning easier.

Ajit Sir, IITian and Mahendra Sir were the resource persons.

A Mock Test was conducted for the students.

One of our students, Rudraksh Bilgaiyan participated in one of the many scientific demonstrations performed on the stage.

In essence, the valuable take away of the session was that the students learnt how they can transform their academic approach by increasing their Creative Thinking, Analytical Thinking and Reasoning Ability.

Summer Camp @ SRCS

The SRCS Summer Camp from May 1st to May 15th concluded after a season brimming with fun, learning, creativity, and excitement!

It wasn't just for students - parents, friends, and relatives were also a part of this vibrant experience.

From swimming, cricket, and football to art & craft, dance, drama, music, and Public Speaking and Personality Development, there was an activity for everyone. It was a wonderful opportunity to explore talents, strengthen bonds, and create unforgettable memories. Children even enjoyed a visit to the Zoo. The camp culminated with a Certificate Distribution Ceremony and lively dancing to a DJ.

Principal SRCS, Ms. Sunita Singh Chouhan enlightened the participants saying “Learning

is an ongoing process”. She also emphasized on the takeaways of the Summer Camp Activities like Skill Development, Socialization

and Bonding, Creativity, Community Engagement, Fun and Relaxation etc.

Samaira Sharma and Kanishk Bhargava conducted the Ceremony.

Dhawal Bigha proposed the Vote of Thanks.

Rejuvenated Students after Summer Break

Students of grades III to XII resumed school on Monday, June 16th at the SRCS.

The morning was bustling with the chirping of enthusiastic kids.

The buzz of excitement and the thrill was evidently visible on their smiling faces.

The teaching faculty conducted the motivational morning assembly.

In essence, the day broke with the

anticipation of learning and ended with fulfilment and renewing bond with friends.

International Yoga Day Celebration

We observed International Yoga Day on 21st June with great enthusiasm and a deep sense of purpose.

The day began with an interactive session where students were sensitized about the significance of yoga in maintaining a balanced and healthy lifestyle. They learned how yoga nurtures not only physical well-being but also mental and emotional harmony.

This was followed by a spirited display of various yoga asanas performed by our students under the guidance of trained instructors. The atmosphere was filled with serenity and energy as students embraced the essence of yoga with grace and discipline.

At SRCS, we believe in nurturing mindful individuals and initiatives like these help instill lifelong habits of wellness and inner peace.

Competitions @ SRCS!!

Fireless Cooking Competition and Salad Decoration Competition @SRCS, Indore

The Level 1 Fireless Cooking Competition was a resounding success, with a remarkably high number of participants showcasing their culinary skills and creativity. This impressive turnout demonstrates the keen interest and competitive spirit of our students, who eagerly took on the challenge.

In the Level 2 and 3 Salad Decoration Competition, a group of 5 students from all four houses demonstrated exceptional creativity and skill in preparing stunning salads, savory dishes, and desserts.

High participation rate reflects students' enthusiasm and competitive spirit.

The judges, Mr. Deepanshu Batra and Miss Himanshi Tandi assessed the entries based on presentation, taste, organization, and

cleanliness.

Our respected Principal Sir Chandra Shekhar Yadav along with the judges provided valuable guidance to the students, highlighting areas of strength and improvement. Their expertise and guidance will help students refine their skills and strive for excellence in future competitions.

Chess Competition at Shri Ram Centennial School

Our school hosted an exciting chess competition, where students showcased their

strategic thinking and concentration skills. The event saw great enthusiasm among participants, with intense moments that tested their skills.

Students displayed remarkable talent and focus.

Intense competition pushed players to think critically.

Our young chess wizards showcased their strategic brilliance, problem-solving skills, analytical thinking, and sportsmanship. Congratulations to all participants and winners!

Pre-Primary Activities

Exciting Field Trip to 7 Course Mart Grocery Store!

Pre Primary Students of Shri Ram Centennial School, Indore, had an amazing time exploring the 7 Course Mart grocery store in Vijay Nagar, Indore! The trip was a perfect blend of fun and learning.

The students got to see various food items, fruits, and vegetables, and learned about different types of products available in a grocery store. They even got to help with weighing and packaging some items!

The visit helped them develop their observational skills and understand the

importance of grocery shopping. It was a great opportunity for them to bond with friends and

make new ones. We're grateful to the team at 7 Course Mart for their hospitality and support. The trip was a memorable experience for our students, and we're sure they'll cherish the memories for a long time.

Earth Day Celebration

Our little eco-warriors at Shri Ram Centennial School's Pre-Primary section celebrated Earth Day with enthusiasm and creativity!

Through fun activities, arts, and crafts, our young learners learned about the importance of taking care of our planet.

We're proud of our students for developing a love for nature and a commitment to sustainability from a young age!

Splashing Fun with Mom!

Our Pre-Primary students had a blast at the **Mom & Me special pool party** at Shri Ram Centennial School, Indore!

The sun shone bright as moms and little ones

bonded over splashing fun, giggles, and memories to cherish forever!

A huge thank you to all the moms who joined us for this special celebration!

संस्मरण

मोह, माया, अपेक्षा, एवं निःस्वार्थ मातृ-पितृ दायित्व
निर्वहन का सच्चा संस्मरण
लगभग 7-8 माह पूर्व एक दिन हमने अपने घर के
रसोईघर एवं शयनकक्ष के आस-पास एक गौरैया
चिड़िया और चीड़े
को चक्कर लगाते देखा । अगले दिन पुनः उसी
युगल को कुछ तलाश करते देखा । शायद मादा
गौरैया अंडे देने वाली
थी और इसीलिए वह युगल अपने आने वाले बच्चों
के लिए सुरक्षित स्थान की तलाश कर रहा था ।
तीसरे दिन

दोपहर के समय उन्होंने हमारे शयनकक्ष की
बाथरूम के रोशनदान में अपनी आने वाली संतति
के आगमन हेतु नीड़
का निर्माण शुरू कर दिया । करीब तीन-चार दिनों
में ही उस युगल के द्वारा अलग-अलग प्रकार के
छोटे-छोटे तिनकों
को जोड़कर नीड़ निर्माण कर लिया गया । इस
प्रक्रिया में हमने महसूस किया कि पंछियों को भी
अपना नीड़ निर्माण
करने में मनुष्य के घर बनाने जितने ही प्रयास
करने होते हैं ।

उन दोनों के अथक परिश्रम से उनके नीड़ निर्माण का कार्य सफलतापूर्वक संपन्न हुआ । चूँकि नीड़ निर्माण हमारे

सामने हुआ तो हमारी जिज्ञासा कुछ और बढ़ी । कई दिनों के परिश्रम और तिनके जोड़ने की आपा-धापी बाद कुछ

दिनों तक शांति रही । अचानक एक दिन शांत दोपहर में चिड़िया के उस घोंसले में से बहुत धीमी किंतु मधुर

चहचहाहट सुनाई दी । फिर क्या था दिन-प्रतिदिन धीरे-धीरे यह सिलसिला निरंतर बढ़ता गया । वे नन्हें-नन्हें बच्चे

जैसे-जैसे बड़े होने लगे उस युगल का जो कि अब माता-पिता बन गए थे दायित्व और अधिक बढ़ गया । वे दोनों

प्रभात की प्रथम किरण से लेकर साँझ होने तक अनवरत उड़-उड़कर बाहर जाते और अपने नन्हें बच्चों के लिए

भोजन एवं पानी की व्यवस्था करते । दोनों अपनी चोंच में दाना-पानी लेकर आते और अपने बच्चों के मुँह में दे देते

बच्चे भी अपनी छोटी-छोटी-सी चोंच खोले एकदम तैयार रहते । इन सब के बीच ही वे दोनों अपने बच्चों की सुरक्षा के

लिए चाक चौबंद व्यवस्था भी करते ताकि कोई अन्य जंतु उन्हें किसी भी प्रकार की कोई क्षति न पहुँचा दे ।

कौतुहलवश उनकी कार्यप्रणाली पर हमारा ध्यान आकर्षित होता रहता था और हमने देखा कि बच्चे पालने की प्रक्रिया

में नर और मादा ने समान रूप से प्रयास किया था । कुछ दिनों बाद ही हमने देखा कि वे बच्चे उड़ने के लिए आतुर

हैं और शायद यही बात उनके माता-पिता ने भी महसूस की और सही समय आने पर अर्थात परिपक्व होने पर वे

बच्चे एक-एक करके अपनी दुनिया में ऊँची उड़ान भरने के लिए वहाँ से कहीं और चले गए और हमने भी उस रोशनदान को साफ़ कर दिया । इस

घटना को देखकर एक बात जो हमने महसूस की वह यह कि गौरैया चिड़िया के उस युगल ने बिना किसी मोह, माया, अपेक्षा एवं निःस्वार्थ भाव से अपने मातृ-पितृ दायित्व का निर्वहन किया

। अब वह युगल यहाँ दिखाई नहीं दे रहा है । संभवतः वे ईश्वर का धन्यवाद कर मातृ-पितृ के ऋण से मुक्त होकर

सुखद अनुभव कर रहे होंगे । इस पूरी प्रक्रिया को देखते हुए हमें उन पंछियों से लगाव हो गया था इसलिए

हम मोहवश दुखी हो गए और वे पंछी अपनी दिनचर्या में व्यस्त हो गए । यही जीवन की वास्तविकता भी है ।

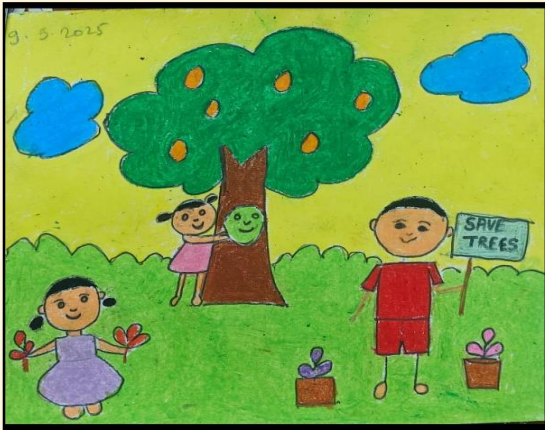

धन्यवाद ।
